Maintenance Report:

- Ron stated there has been an increase in rags and wet wipes that are backing up the Wastewater Treatment Facility. The Parks have new flags that say, 'Welcome to Peetz'. The Horseshoe pits mats are very heavy, and he is asking for assistance getting those out. The distribution system has been completed by AJ Legacy Backflow, and we will pay their invoice and then bill the building on the next billing cycle. Midco dove the water tower and found holes that need to be fixed, but because it being a 110-year-old tower it's in great shape. At the main well there had been a bleach barrel installed so there were no more galls of jugs. Ron is making a Peetz Sake Days float

OLD BUSINESS

1) **SECONDARY WELL:** Cornerstone construction thinks he will be able to peal a crew off in the nect week or two to get our new well online.

2) **WATER SYSTEM REPLACEMENT PROJECT:** JVA will have 60% design done by the deadline. Projects were divided into two projects, not three (water mains and service lines). New main valves need to be part of the project. We now have a map of our system which Joe was able to import all our geode GPS coordinates and overlay them with google maps.

NEW BUSINESS

1) **Water Tower Inspection:** It has been over 5 years since it last was inspected and because it being a 110-year-old water tower it's in pretty good condition. They sucked out all the dirt and suggested we need to patch the holes in the water tower. Ron advised that the board needs to start thinking about whether they want to invest in this water tower or not as it will need interior painting.
2) **Peetz Sake Donation:** Alex Richie moved and Darrick Fehringer seconded the motion to donate $75.00 to the Peetz Lions Club for Peetz Sake Days 2026. **Motion Carried.**
3) **Board Position Application:** Mayor Alex Richie, Trustee Meg Fehringer and clerk Reiley Barrett will coordinate times to set up interviews for the applicants we have received. Pam Wood moved and Meg Fehringer seconded the motion to appoint Jessie Carlson for the open board position. **Motion Carrie via email.**
4) **Fall Clean Up:** The board had decided not to do a fall clean up.
5) **Amend Resolution 2026-5:** Zach Wood moved and Darrick Fehringer seconded the motion to amend Resolution 2026-5. **Motion carried.**
